

healthy tomorrow award

KITSAP SUN & KITSAP CREDIT UNION

Kitsap Community Volunteer,
Leader, Speaker, Comedian —

CRIS LARSEN

receives

Healthy Tomorrow Award

Laughter is certainly the best medicine, but the latest Healthy Tomorrow Award winner is no joke! Cris Larsen, better known as "The Great Cris" is the latest deserving recipient of this community award.

Cris has been a touring, professional comedian for 20 years. During his career he has performed at thousands of benefit shows, been a celebrity auctioneer for Rotary Clubs, Chambers of Commerce, hospitals and civic and church organizations. During the holidays, one may find Cris playing Santa Claus, participating in Toys for Tots events, heading up the annual Thanksgiving Outreach Dinner, or carolling with Marines at Harrison Medical Center. He keeps a full schedule the rest of the year, too.

Cris is a motivational speaker and has spoken at many leadership conferences, been an active Rotarian for the past 12 years, volunteered at local schools and served as a youth mentor for 20 years. This year, Cris will set off on a nationwide theatre tour performing his latest one-man show with proceeds aimed to benefit the American Cancer Society and various Military Aid Programs.

"Great" is an understatement to describe Cris Larsen's many accomplishments in the community. Congratulations, Cris Larsen!

The Healthy Tomorrow Award Program is a partnership of Kitsap Sun and Kitsap Credit Union created to honor individuals and organizations whose contributions to the community significantly improve our quality of life.

To nominate someone you know for the Healthy Tomorrow Award, log on to www.kitsapsun.com/healthytomorrow or complete a nomination form at any Kitsap Credit Union branch. There is no deadline for nominations.
